“Oh the Places You’ll Go!”

Welcome Back Parents and Students!

“You’re off to great places,

Today is your day!

Your mountain is waiting,

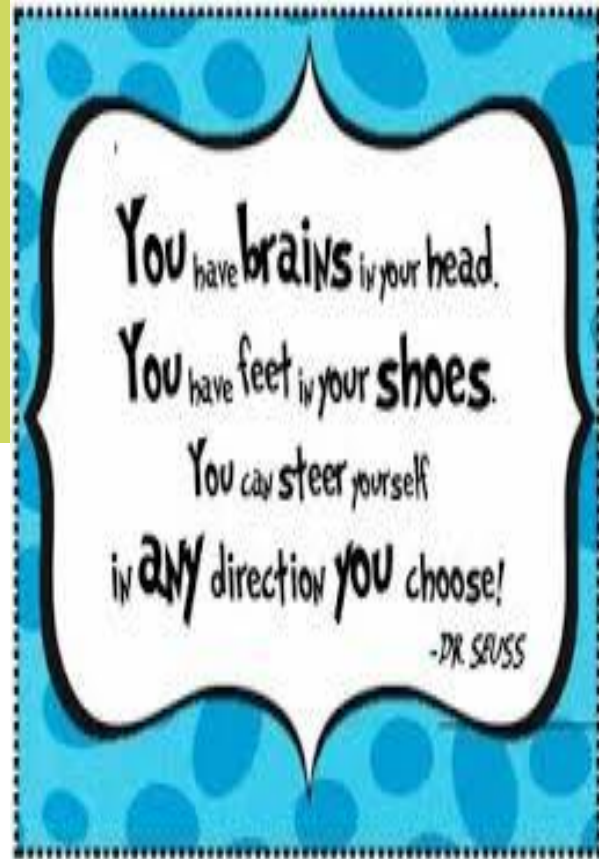

so get on your way!”

We are on our way to an awesome school year! I am so proud of the teamwork displayed these past two days! Not one student missed the bus or his/her transportation home! I hope you have noticed some of the changes to Woods this year. My team and I are excited for what this year has to offer your child (ren)!

5-8th grade students must purchase a gym uniform

Students’ fees can be paid online using myschoolbucks, homeroom teacher, or in main office at this time!

We are still in the process of finalizing student schedules this week. This may effect some of the teachers’ schedules as well. All schedule changes should be finalized by August 16, 2019, Friday COB. Thank you for your patience!
