

We have just received your request for an employment and/or income verification on an employee. Our organization uses The Work Number to provide automated employment and income verifications. The Work Number reduces our risk of liability from providing erroneous or unauthorized information and our employees receive the benefit of a quick turnaround service. You the verifier benefit by receiving immediate access to information that is convenient, accurate and secure. Our standard procedure for verification requests received is to provide the following instructions to verifiers on how to use The Work Number. You have several options to get the information you need.

How to Use The Work Number

Table with 3 columns: Verification Type, Access Options, Information Required. Rows include Commercial and Social Services verification details.

Frequently Asked Questions

What is The Work Number?

The Work Number, a service of TALX Corporation, is an automated process for employment and income that allows employees to have their information verified within a matter of minutes. It is the number one service used by mortgage companies, pre-employment screens, consumer finance, and government agencies.

Is the information secure?

Absolutely, the data is stored in a secure data center that is SAS 70 certified by third parties for its level of security.

Who is considered a verifier?

A verifier can be any leading institution, property manager or other business that needs to verify employment or income.

Does a verification take longer?

No, it is typically turned around instantly. In addition, the automated service is available anytime, anywhere.

What is Commercial Verification?

Standard employment and income verifications are commonly referred to as commercial verifications.

What is a Social Services Verification?

Typical social services verifications include TANF, Food Stamps, Public Housing, Medicaid, Child Support, WIC, Welfare to Work/Job Corp. Programs, Social Security, Supplemental Security Income (SSI), Social Security Disability Insurance (SSDI) and others...

What is a Salary Key?

A Salary Key allows employees to have control over third-party access to their income information. The employee may visit www.theworknumber.com or call 1-800-367-2884 to obtain a Salary Key.

What is the Employer Code for our organization?

This five-digit code used to identify each organization in the database can be found at www.theworknumber.com using the Our Participating Employers link.
