

## **2021-2022 FAMILY ID REGISTRATION**

All Thomas Jefferson Academy Athletes must be registered on FamilyID.com. This is for both Middle School and High School Athletes.

Registration Process:

[www.familyid.com](http://www.familyid.com)

Once on the account you will need to create an account. If you are a returning athlete, you will log into the account you used last year.

Once you enter through the account you will find your program (Thomas Jefferson High School, Louisiana)

Once the school is selected you will register for either High School or Middle School Athletics (please note if your student is a middle school student but is playing on a high school team, you must register them for high school).

You will then select the sport(s).

Create new participant or drop down bar to update a returning player.

Fill out all of the required information and agreements

Please disregard the payment section. A \$35 athletic fee is required for all High School athletes but this cannot be paid through FamilyID. This must be paid either through School Cash Online or by cash or check, turned into Coach Cormier.

If you should have any questions or problems please email our Athletic Director, [Emily.cormier@jpschools.org](mailto:Emily.cormier@jpschools.org)
