1. The Jefferson Parish School Board desires to maintain an academic and work environment in which all employees, volunteers, and students are treated with respect and dignity. A vital element of this atmosphere is the Board's commitment to equal opportunities and the prohibition of discriminatory practices and/or creation of a hostile work environment. The Board's prohibition against discriminatory practices and harassment includes prohibitions against, intimidation, bullying, threatening, the use of abusive language, isolation, excessive or repetitive phone call or electronic communication, sexual harassment or any other form of harassment based upon a person’s membership in a legally protected class or a person’s engagement in legally protected activities and specifically prohibited by applicable state of federal law.

2. The Administration forbids sexual harassment, or any other form of illegal harassment, and/or any form of harassment prohibited by the board herein of any employee, student, volunteer, or visitor. The Administration shall not tolerate sexual harassment or any other form of illegal harassment and/or any form of harassment prohibited by the board herein by/of its employees, students, volunteers, or agents.

3. The prohibition against discrimination, including sexual and other forms of harassment, and/or any form of harassment prohibited by the board herein shall

If the accused member is president or vice-president, he/she may be removed from that office and another member will be elected to serve the remainder of his/her term.

6. The Board Attorney will provide a copy of policy GAEAA to each Board member when elected and in January of each calendar year.

F. If a Board member’s conduct at a meeting is determined to be so disruptive that the business of the meeting cannot proceed, after attempts by the Board President to gain control of the meeting and restore order so that the meeting’s business can be carried on, the Board President, who is charged with maintaining order at the meeting, may move to have the Board attorney, or someone chosen by the Board attorney in the event of a conflict, to file a civil action restraining the Board member from future disruptions under penalty of contempt of court. If approved by a majority of the Board, the Board attorney will see that the motion is carried out. All attorney’s fees and court costs for the actions of the attorney as ordered by the Board will be paid by the Board.
