- Congratulations to Lale Geer acknowledge all the hard work he had given to the system.

Mark Morgan stated that Lale Geer has had every job in the system that there is. He started off as a teacher and principal and of course to the highest level to the interim superintendent, that's something that I think the board and the current superintendent is very ready to recognize because it shows that when you dedicate yourself to this system like he had the appreciation will be shown. We will never forget a person who's dedicated themselves as Mr. Geer has. He has served for 30 years in this system with the dedication he has. Mr. Morgan stated that Mr. Geer was a marine and that he was also married to a military veteran so he understood what that means. He's dedicated himself to this country he dedicated himself to his family and he dedicated himself to the school system and we were blessed to have had this happen. Mr. Morgan said that he considered him a longtime friend and would remain friends and continue to see each other after you leave. He thanked him for his service to the school system.

Larry Dale said that Mr. Geer served the system with distinction in just about every position that he could think of. He was a great administrator. Mr. Dale said that he had been a great friend and that he was going to miss him a lot.

Clay Moise said that his remarks will be shorter than Mr. Morgan's. As a retired Marine, Mr. Geer's dedication to our children should come as no surprise. After all, the Marine Corps motto is Semper Fidelis, which means always faithful. His more than 30 years is an

extraordinary career even if it's a second career. So well done, sir. We wish you fair winds and following seas.

Simeon Dickerson said that his first acknowledgment of Mr. Geer was my 5th-grade teacher. Mr. Geer through his dedication that he has always been a fair person, even in elementary school. Mr. Dickerson said that he had taken with him throughout life. He told Mr. Geer that he had touched him as a 10-year-old and still to this day I have a great relationship with you even better. He told him that he was going to go the north shore and every time he got a chance to woo him back to Jefferson Parish. Mr. Dickerson told Mr. Geer that he had made a lasting impression on his life and that he appreciated him for it. He Congratulated and that he told him he would have to take him fishing.

Ricky Johnson told Mr. Geer that they had met over 20 years ago. Mr. Johnson said he was a minister in the neighborhood and he had allowed him to come in and speak to some of the boys there. He said that Mr. Geer has been very instrumental in helping things to happen, especially on the west bank. He said that it was good to know when you have somebody that you can call on to make sure things get done and then properly. Mr. Johnson said that when they were getting St Ville back he told me that it would be done and on time. I want to thank him for a great job and we shall miss him.

Tiffany Kuhn thanked Mr. Geer and presented him with a plaque. It read as follows: Upon your retirement, Jefferson Parish Schools presents that certificate to Lale Geer and wishes to express its sincere thanks and gratitude for your 30 years of dedicated services. Your wisdom and commitment to excellence have long inspired all of us and will be remembered for many years to come. We wish you good health and happiness in your retirement.
