

# Our Kids. Our Future.

When our students do better in school, our community is more likely to have a stronger economy, quality workforce, healthier citizens, higher property values, and safer neighborhoods. Good schools are a smart investment.

Jefferson Parish citizens will be asked to vote on a half-cent sales tax renewal on April 30 that helps Jefferson Parish Schools meet the needs of our children.

**This is not a new tax.  
There is no new cost to taxpayers.**

This half-cent renewal turns into \$57 million to help our schools pay for things like...

**School  
counselors &  
social workers**

**Safe school  
buildings**

**Teacher & staff  
salaries  
& benefits**

**High-quality
