John Ehret High School: 2020 – 2021
August 27, 2020

Principal's Message

When we started the school year in August, I knew this year would be different than any other year on record. So far, I have not been let down. While this may be my first official year as principal, this will be my 25th year at John Ehret. Since 1996 I have seen the school when the student population exceeded 3000 and I have been here through the Katrina years. One thing is certain, John Ehret will see this pandemic through.

Earlier this summer, nearly half of the parents made the choice for their child to attend Virtual Jefferson. While the other half chose the hybrid model for their child. I will discuss both learning platforms later in this edition. No matter the method, this past week teachers have attended hours of professional development seminars to prepare for on-line learning. For many teachers, this will be their first time teaching virtually. When possible, Ehret created classrooms that were either *all-virtual* or *all-hybrid*, but the vast majority of the classes on campus will be a mixture of the two. Most teachers will have the difficult task of teaching both hybrid (in person) and virtual (online) students at the same exact time.

As a school community, we have come together as a team to keep things going for our students. Whether students are learning from home or on campus two days a week, students will have the opportunity to continue their education and earn the necessary credits towards graduation. While no one knows what the “new normal” will look like for education, one thing is for certain – we will be here for our kids.

Student Progress Center & Student Schedules

In order to retrieve their class schedule before the first day of school, students will have to access the Student Progress Center. Aside from their schedule, students/parents can check attendance, see up-to-the-minute averages and grades, see upcoming assignments, check for financial obligations, monitor discipline infractions, and see state test scores.

*Using the Parent Log-In, gives parents the opportunity to email teachers directly.

*Parents can use the “Communication” tab to make sure that contact information is up-to-date.

If you are not receiving our text blasts or emails, you may to check this tab.

*Please be careful. You will NOT receive notifications for the boxes that you place a “check mark.”

Directions for Parents to Log-In to the S.P.C.

1. Go to <https://ipsis.ipschools.org/progress/>
2. Create a new account (on the right side)
3. Enter the PSN. You can get this from the school.
4. Login on left side.

The screenshot shows the Jefferson Parish Schools Student Progress Center interface. It features a header with the school name and a main content area with two columns. The left column contains input fields for 'User Name' and 'Password', a 'Login' button, and a 'Forgot Password?' link. The right column contains buttons for 'Register New User', 'Help', and 'Browse School Courses', along with a language dropdown menu set to 'English'. A timestamp '07.24.19 10:30' is visible at the bottom of the main content area. A footer note reads: 'New User? Click Register New User on the upper right.'

Virtual Jefferson versus the Hybrid Model

During the summer, JP Schools offered parents the opportunity to enroll their children into “Virtual Jefferson.” Parents who did not choose to enroll their children into Virtual Jefferson automatically had their children placed on the Hybrid Model. Below is a brief explanation of each:

Virtual Jefferson:

- *All students attend school virtually via live streaming instruction with some asynchronous opportunities.
- *Teacher is not in a brick and mortar classroom with students. Teacher is situated at a computer for both instruction and feedback.

Hybrid Model:

- *Students in these grades will attend school on an A/B schedule with ½ attending on one day in person and the other ½ attending virtually.
- *Students alternate “in person” days –
“**A-Days**” are Mondays and Wednesdays; “**B-Days**” are Tuesdays and Thursdays.
- *All Hybrid students attend virtual learning on Fridays.
- *The teacher is in a brick and mortar classroom with ½ the students in person and the other ½ virtual.
- *Asynchronous learning opportunities will occur for those students who lack technology at home.

Hybrid Days

In order to balance the 900+ students who will attend on hybrid days, we split the number of students in half based on last names:

A or B	Days of the Week	Last Names Beginning with:
A-Days	Mondays & Wednesdays	A thru K
B-Days	Tuesdays & Thursdays	L thru Z
On Fridays, ALL Hybrid students attend virtually		

Technology and Internet Connections

At this point in time, John Ehret is not a 1:1 to school for each student to have a laptop. The district has ordered laptops for us to meet the need; however, they have not been delivered. The district has received information that laptops may be delivered soon.

Virtual Jefferson students received a text blast with information on technology pick-up. Those days were two weeks ago. If you are a Virtual Jefferson student who did not pick-up technology, then please contact Lisa Galivan to arrange a pick-up date and time.

Hybrid students who do not have technology at home will be given assignments that do not require the use of technology to complete.

Connectivity: JPS has been working closely with Cox Communications to ensure all students have access to the internet, including an expansion to their [Connect2Compete](#) discounted internet package for low to moderate income families. JPS is working with all our families to assess internet connectivity and have a plan to close the connection gap.

Google Username and Passwords

If students were enrolled in JP Schools last year, then their Google Username and password are the same. Between Thursday and Friday, First-Period teachers will call all students on their first-period roster to verify that students have the correct login information.

Uniforms

The following table shows the acceptable uniforms at John Ehret High School.

Grade	Shirts	Pants/Shorts
9 th	Grey JEHS Polo	Males Students: *Are required to wear khaki pants or shorts. *Shorts must be to the knee.
10 th	Navy JEHS Polo or Light Blue-Button Down Oxford

12 th	Navy JEHS Polo or Red JE Senior Polo or Light Blue-Button Down Oxford	Female Students: *Are encouraged to wear khaki pants or shorts. *The "Ehret plaid" pants are allowed. *Shorts must be to the knee. *No skirts are allowed.
ALL	*Winterwear must zip or button-down the front. *Winterwear must NOT have hoods. Thus, no hoodies are allowed.	

Face Masks Required

John Ehret will follow the same requirements set forth by the Governor requiring all people entering campus to wear a face mask.

- * Face masks must be worn over the nose and mouth at all times.
- * Students without a mask when entering campus will be given a mask. A fee of \$1.00 will be added to the student's financial obligation each time the student receives a mask from the school.
- * Bandanas are NOT considered a mask.
- * Masks must be school appropriate. Obscene language, images pertaining to drugs and/or weapons, or offensive images are strictly prohibited.
- * If a student is not wearing a mask correctly, we will give the student a single warning. Further mask violations will be subject to the appropriate disciplinary consequence.

2020-2021 Bell Schedule

*John Ehret will follow the bell schedule shown below.

*Students will not have access to the campus until 7:50AM.

*Students attending the Cuillier Career Center will report to Ehret first, then catch the bus to Cuillier.

*Students attending Cuillier in the afternoon will report back to Ehret to catch their bus home.

Which Lunch Do I Have?

In order to keep the number of students at lunch balanced, Ehret will have two lunches. To determine if you have first or second lunch, follow these three steps.

1. Locate your 3rd Period on your schedule.
2. If your **3rd Period** is in the **200, 300, or 400** Building, then you have **1st Lunch**.
3. If your **3rd Period** is in the **600, 700, or 800** Building, then you have **2nd Lunch**.

Temperature Checks Upon Entering Campus

As students enter campus they will pass through a checkpoint.

At each checkpoint there will be a faculty member administering temperature checks.

Student with a temperature of 99.4 degrees will not be allowed onto campus.

We will wait 5 minutes, then recheck the temperature.

After the second reading, students with a temperature of 99.4 degrees or higher will be placed in an unoccupied classroom until a parent or guardian is able to pick them up from school.

Failure to pick-up an ill student will result in a phone call to DCFS/JPSO.

Please check temperatures daily before coming to school.

Traffic Flow Before- and After School

Just as entering any major facility, John Ehret has specific traffic lanes for before and after school.

*Enter campus from the bridge on the right. This bridge has two lanes of traffic (red and yellow)

***YELLOW** is for Buses. Buses travel to the back of campus to drop students off then return.

***RED** is for Parents/Student-Drivers. Once you are off of the bridge, the RED lane splits into two.

***BLUE** is for parents dropping students off in front of school.

***RED** is for students driving to the "Student Parking" area.

*The **BLUE** lane exits campus on the left bridge. There are 2 lanes on the left bridge.

*The left lane is for turning left only.

*The right lane is for turning right OR going down Avenue A.

***GREEN** shows the student walkway for those students

Social Media

John Ehret High School uses three social media sites in order to disseminate information quickly.

Over the summer we will post major announcements on these three platforms:

School Website: jpschools.org/Ehret | Facebook: **John Ehret High School** | Twitter: **@JEHSofficial**

School-Based Health Center

John Ehret has a School-Based Health Center located in the back of campus.

Students must be registered with the Health Center to access the nurse, doctor, and services provided by the health center.

Using the link below, you can access electronic versions of the application located in the "Resources" section. Electronic submissions will automatically be submitted to the clinic upon completion.
