June 9, 2021

Dear Parents and Guardians:

I hope that you are enjoying your summer vacation with your children! There are about 10 more weeks for you to enjoy summer before our students return to school.

We understand how important your time and money are to you; therefore, we wanted to help you save both time and money. Parents typically shop during the summer to purchase school supplies and uniforms. This year, we have purchased supplies in bulk to help reduce your costs and save you time. Additionally, we believe that many students will enjoy attending school on the first day without having to carry large bags of school supplies! The only school supplies that you will need to purchase are mesh or clear backpacks, uniforms (including PE uniforms) and those supplies that your child would like. Necessary school supplies have been ordered and will be billed to each parent. Parents may pay for the supplies via School Cash Online - <https://jpschools.schoolcashonline.com/>

The cost of school supplies for students in grades PK-5 is \$25. and for students in grades 6-12 the cost is \$30. Payments may be made as early as Monday, June 14, 2021 and must be paid in full by Friday, August 13, 2021. Our goal is to make the purchase of school supplies more affordable and convenient for you.

We have been investigating the possibility of purchasing school uniforms in bulk to save you both time and money; however, we haven't located a reasonable uniform provider - yet! Attached is the uniform policy for the 2021-2022 academic year. There have been no changes since last year. If you know of a uniform provider who can help us purchase in bulk to save our family members time and money, please share their information with us!

If you have any questions regarding the purchase of school supplies, please send an email to [michelle.santiny@jpschools.org](mailto:michelle.santiny@jpschools.org). Michelle is always happy to assist you!

Enjoy the rest of your summer!

Sincerely,

Christine D. Templet, Ph.D.  
Principal, Grand Isle School
