Jefferson Parish Schools offers **Behavioral Health services** to students at Haynes Academy through our school-based health center program. Haynes Academy is one of 11 school-based health centers Jefferson Parish School District. Licensed Clinical Social Worker (LCSW) Bertrille Hookfin sees students on campus. **Telemedicine services are also available this year.** Her office is located on the second floor of the high school library. She offers individual and group therapy counseling sessions for stress and anger management, trauma, depression, anxiety, bullying, or even relationships. Parents can request that their child be seen by Ms. Hookfin by either calling the front office of Haynes Academy at (504) 837-5400 or calling the clinic at (504) 561-3571.

All students must have a current consent and enrollment form on file to be seen at Haynes Academy for **Behavioral Health services**. Consent and enrollment forms are sent home at the beginning of the year; however, parents may sign their child up for services at any time during the school year. Electronic Forms may also be found at SBHC Consent & Enrollment Form. Paper consent forms can also be found and printed on the right-hand side of this webpage.

Co-payments are waived for all students and faculty/staff enrolled at our SBHC. Commercial insurance, including Medicaid and Medicare are accepted. Students who are uninsured can also receive care with a consent and enrollment form on file with the health center. Services are given to all students at **NO COST**.

If you have an emergency outside of school hours, please call 9-1-1.
