

# PELICAN PRESS, VOL. 31

MAY 21, 2021

## DEAR PARENTS AND CAREGIVERS,

The last day of school for students will be Wednesday (5/26). Monday will be a full day, Tuesday and Wednesday will be early release. Students will dismiss on Tuesday and Wednesday at 11:50. Attendance the last three days is mandatory for both in-person and virtual.

As the year comes to a close, Chateau would like to thank you for your continued support, feedback, and trust. We will continue to work diligently to improve each day and give your child the best education possible. We care about our students and families and can't wait to work with you again next year.

Teachers have been reaching out to students to ensure they have completed all assignments. Please support us with this effort as promotion to the next grade level depends on passing scores.

While most 3rd-8th LEAP testing has been completed, we do have a few make-ups Monday and Tuesday. Our students worked very hard during their testing week and we are very proud of them.

Please help us grow our Chateau Family! PreK registration and early registration is now open for students new to Jefferson Parish Schools. To assist, please reach out to friends and family in our district zone and spread the word! The links are below:

**Prek Registration now open! Please visit [jeffersonchild.com](http://jeffersonchild.com) to register.**

### **Please see below for announcements:**

**Chromebook Return:** Chromebook return for virtual students will take place on 5/26 at 8:30-9:30 and 1:00-2:00.

**Prek Registration:** Please visit <https://jeffersonchild.com> for more details and to apply for the 2021-2022 school year.

**Meal Assistance:**

Second Harvest Food Bank of New Orleans offers meal assistance to families in need. Click on the link for more information. <https://no-hunger.org/social-servicesbenefits-helpline/>

**Parent Computer Literacy Workshop:** The next round of Parent Computer Skills Workshops began March 9. They are being hosted at JC Ellis Elementary and Isaac Joseph Elementary School. We are also offering a Saturday session at Terrytown Elementary and Meslier Middle School on March 13. These sessions are open to all JPS parents, and registration information can be found on our website at [jpschools.org/ComputerWorkshops](http://jpschools.org/ComputerWorkshops).

**Chateau Estates Water Bottles:** We are holding a fund raiser and selling Chateau Estates water bottles for \$5. Students will be able to bring them to school to use throughout the day. Please reach out to your child's teacher if you would like an order form.

**Technology Fees:** The \$15 dollar technology fee is due.

Have a great weekend and stay safe.
