

# Harahan School

Stephanie T. Scott, M.Ed.  
Principal

Kathy F. McLeod, M.Ed.  
Assistant Principal

Dear Parent(s)/ Guardian(s),

According to the Jefferson Parish Schools Transportation Department, there are currently no Harahan School students who reside in the no transportation zone that are required to cross Jefferson Highway. The students are assigned to a bus should begin riding the bus, or can be assigned to a bus. Based upon Jefferson Parish's observations, they have recommended that students not receiving transportation due to a residence within the no transportation zone, should be released to exit the school on Bailey rather than Jefferson Highway. Also, parents wishing to escort their children, should report to the gate on Bailey Street by the cafeteria alcove, or utilize the carpool line. Parents will not be able to park cars in the neighborhood and retrieve their children from the school. This change will be effective on Wednesday, April 7, 2021, and will continue indefinitely.

For parents who wish to obtain bus ridership, please email Lisa Rawle at [lisa.rawle@jpschools.org](mailto:lisa.rawle@jpschools.org). The students will be able to ride the bus within 24 hours of the request.

For parents who wish to receive a carpool sign, please complete the following link:
