

JEFFERSON PARISH SCHOOLS ELECTRONIC DEVICE AGREEMENT

In order to ensure that our students continue to learn and grow, the district has committed to providing electronic devices, including Chromebooks, laptops and internet hotspots, to students who need them. The devices are available on loan to students currently enrolled in a Jefferson Parish School in accordance with the terms set forth below.

Terms of Agreement:

- Acceptable use of electronic equipment is for the sole purpose of fulfilling the course requirements.
- The unethical use of the internet, email, or any other media is strictly prohibited.
- Students must comply with the District's Internet Use Policy, which can be found at: <https://www.jpschools.org/cms/lib/LA50000440/Centricity/Domain/180/Parental-Consent-for-Student-Internet-Use.pdf>
- Failure to comply with the Internet Use Policy shall constitute grounds for revocation of this Agreement and return of District-owned equipment.
- Alteration of hardware or accompanying software, copying software to, or from, a device or installing new software without permission is prohibited.
- By signing this Agreement, parents/guardians accept financial responsibility for lost or damaged equipment.
- All loaner electronic devices must be returned by: **MAY 2022 BEFORE THE SUMMER BREAK BEGINS**

I have read and understand the terms of this Agreement. I understand that I am responsible for ensuring that my child complies with the District's Internet Use Policy. I, further, understand and agree that, by signing below, I am accepting financial responsibility for the reasonable use and care of School Board property and that, absent extenuating circumstances, I may be held responsible for all, or part, of the value of the device (\$400.00 for computers; \$100.00 for hotspots) if the device is not returned in good condition on or before **MAY 2022**.
