Dear Parents,

JPSchools is using School Cash Online for an online parent payment option for all school events, including Child Care and Summer Camp services.

For Child Care and/or Summer Camp, a weekly product will be created through this program. Once a product is generated you will receive an email with your attendance option. At that time, you will have the ability to pay through this online service.

To register go to www.jpsschools.schoolcashonline.com on your computer or mobile device. There is a small processing fee online payments.

Please see your child care director if you would like to continue to make onsite payments.
