

FOR YOUR CHILD

We know that you care about your child! WE DO TOO! Every child is unique. Every child is different. Differences are wonderful, but some can cause problems in schooling. Louisiana Schools are ready to help ALL children learn.

We search for children who may:

- have academic problems.
- not hear or see well.
- have trouble following directions .
- be slow starters.
- have discipline problems.

We also look for babies or preschoolers who may:

- have chronic illnesses.
- not walk or talk on time.
- have other developmental problems.
- have any other problems that makes school a difficult experience.
- be academically gifted
- be musically, theatrically, or artistically talented.

For children not enrolled in school, call child search at 349-7946. We look because we have programs that may help! If you feel your child has a problem that affects his/her ability to learn or demonstrates a special skill or talent, and you would like to schedule a conference with the teacher, please complete this form and return it to the school. At this conference, you and your child's teacher will discuss any concerns and the option to refer your child to the Academic/Behavior Intervention Team.
