

## COVID SAFETY

We will follow the district's policies for safety.

- Temperature checks at the beginning of the day, and periodically throughout the day.
- Anyone registering a temperature of 99.4 and higher will be sent to the office for a temp recheck. If their temperature is still elevated, a parent will be contacted to pick up the student.
  
- Water fountain mouth spouts will not be accessible. Students should have a water bottle with them to refill throughout the day.
  
- If a person is experiencing below symptoms they will be sent to the wellness room until a parent retrieves them from school
  - Chills or shaking
  - Muscle pain
  - Headache
  - Sore throat
  - Facial flushing
  - Generalized rash
  - Fever of 99.4 F or greater
  - Persistent cough not related to a known underlying condition
  - Shortness of breath
  - New loss of taste or smell
  - Persistent vomiting or diarrhea
  
- Hand Sanitizer pumps throughout the school.
  
- Sanitation of classrooms happening throughout the day
  
- Students will be expected to wash hands before collecting their food in the cafeteria and in the restrooms.
