10/27/2020

Hello Jaguar Family,

As you may be aware, 10/28/2020 has been declared a “Remote Learning Day.” This means that all campuses in the district will be closed tomorrow, but school will be conducted on-line via your child’s Google Classrooms. I believe that most students have experienced the virtual learning environment, so I think we’re well prepared for this. Nevertheless, I did share a few guidelines with faculty and staff that I would like to share with you as well.

- 1) We will follow our regular school schedule. Please have students log into all Google Classrooms and complete all attendance assignments at the beginning of homeroom and each academic class.
- 2) Teachers have been directed to post an assignment and schedule a Google Meet session in each class. Information regarding these items will be posted in the individual Google Classrooms.
- 3) In the event that you and your household experience a storm related hardship, your child will not be penalized for being unable to complete their assignments tomorrow. Our teachers have been directed to allow students to make up any missed work when they return.
- 4) Tomorrow is a work day for JP employees. Our faculty and staff can be reached via email. For all attendance related issues, email Samantha Thomas. If you experience a storm related issue that hinders your child’s opportunity to participate tomorrow, please email Terry Alexander. Our full faculty and staff email list can be found here: <https://www.jpschools.org/Page/3181>

Please check jpschools.org for updates. The district has announced that they will make another announcement on 10/28/2020 regarding when they will reopen our physical campuses. As always, we hope you and your family remain safe and we look forward to seeing your children back on campus.

Sincerely,
Andrew Vincent
Principal, TJA

No extra-curricular activities or sports on 10/28/2020: All campuses are closed.

*** Next district announcement regarding campus closures is expected in the afternoon of 10/28/2020.
