Hello Jaguar Family,

I can't believe we made it through our first two weeks. Today's update will be brief, but I will certainly keep you updated on a regular basis. I wanted to make you all aware that we are taking school pictures next week on September 15th and 16th. We will use our gym for school pictures this year to ensure adequate spacing and social distancing can be observed. Miller Foto will be coming on both an A day and a B day to ensure that we take an ID photo for all hybrid learners. However, we wanted to provide an opportunity for virtual learners to take an ID picture as well. If your child is a virtual learner and would like to take a school photo, please come to school on your assigned day between 8:15-9:00. We will allow you to park in the rear of the school (student parking lot) and wait for your child to take their school photo. All students will have their temperature taken upon arriving at the school. If a virtual learner cannot make it to school for their photo, Miller Foto is allowing for them to make appointments to take pictures at their studio. If you wish to make an appointment with Miller Foto, please follow this link: <https://www.millerfoto.com/thomasjefferson>

Virtual learners are not required to take an ID at this time. However, some parents have called requesting them for ACT registration, proof of enrollment, etc.

If a virtual learner misses class (Google Classroom) to take their picture, we will retroactively mark them as present. However, it would be helpful if your child made their teacher aware that they will not be in the Google Classroom on the date and time that they are taking pictures.

Thank you. We hope you have a restful weekend.

Sincerely,
Andrew Vincent
