

Accessing the JPS Student Progress Center

The JPS Student Progress Center will allow you to monitor your child's attendance, grades, teacher notices, etc. It is very important to us as a school community that we communicate your child's progress and opportunities for improvement in a timely manner.

Please follow the instructions listed below to create your account. Note that each adult listed may create an account to monitor student progress. If a name needs to be added or deleted, please let [Ms. Chicas](#) or [Ms. Q](#) know. For comments and/or concerns regarding the timely submission of grades within JCampus, please contact your academy principal so that he/she may resolve any issues.
