

Grace King High School Google Classroom Codes

We look forward to welcoming you back to Grace King. If you need your Google classroom login information, please email your teacher(s) or Ms. McCabe at michelle.mccabe@jpschools.org.

When emailing Ms. McCabe, please be sure to include your lunch number in the email as we have students with the same first and last name.

Please remember:

- Only jpschools.org log-ins can login into Jefferson Parish Google Classroom; a student's personal Gmail address WILL NOT work.
- All JPS passwords follow the same format (capital letter, 5 lowercase letters, number, symbol).
- Students do not have the ability to change their passwords.
- If a student enters their password incorrectly three times, they will be locked out for 30 minutes. Students are advised to wait for 30 minutes and then try copying and pasting in the log-in information again.
- If a student is still unable to log-in, the student should contact one of their teachers or Ms. McCabe to verify that they have the correct information.
- Students must have a period (.) in between their first and last name in their log-in.

Ex: Grace.King
