

## ***LEAP 2025 Testing Information***

All students enrolled in LEAP 2025 courses (Algebra I, English I, English II, Biology, Geometry, and US History) must complete the LEAP 2025 examination as part of their course requirements. These assessments are **required for graduation** and will serve as the **final exam** for the corresponding courses. As such, they will count for **25%** of each student's **final grade**. All students **MUST** arrive at school in full uniform and have your school issued chromebook fully charged.
