A Note From the Administrators

Welcome to another wonderful and exciting school year! We are excited to welcome back our returning Blue Jays as well as welcome many new members to our school family. The students are settling in nicely and getting to know the rules and procedures of the school as well as in their classrooms.

This year the faculty, staff, and students at C.T. Janet will be learning about the importance of **kindness** and having a **growth mindset**. We will participate in kindness activities and consistently practice various acts of kindness throughout the year. We ask that you and your family take part in spreading kindness this year. Attached you will find the 30 Days of Kindness Challenge to help you out. Growth mindset activities will also be included monthly in the newsletter.

We look forward to an amazing school year with our Blue Jay Family!
