### Intruder/Lockdown Drill

Wednesday, September 30, 2020

In compliance with the Jefferson Parish Public School System policy and Act 50, Louisiana Legislature House Bill 718, all schools must conduct a lock-down or “intruder” drill each school year.

Both the fire and the police departments will be notified of the drill, as will the Jefferson Parish Public School System’s Department of Emergency Management.

The purpose of this safety exercise is to prepare faculty, staff and students in the event of an actual emergency.
