 - Saints Black & Gold Dress Down **11**
 - PK/K must wear purple shirts
 - School ID Day 8:00-12:00pm **14**

Principal's Message

Parents,

We have already taken a deep dive into our Teaching and Learning here on campus. Our school is following the district's guidance for Tier I curriculum in all subject matters. This Tier I curriculum exposes and offers "on grade level" material and affords the students that ability to master all skills and sub-skills outlined by Louisiana State Standards.

Through this curriculum, teachers are attending on-going professional development, ensuring content knowledge and deep understanding of the curriculum.

We are continuing to follow our Phase II

mandate and follow the CDC guidelines for safe and healthy schools.

Many of you are experiencing challenges

while enrolled in the Virtual Jefferson. If you are requesting a change in the Instructional Model- you will need to pick up the Request Form from school, complete it, and bring back to school. The form is then submitted to the District for Approval or Denial. Once the school receives the final answer, the school will contact you- in the meantime, the student will remain virtual until the school makes contact.

**We Love.
We Learn.
We Lead.**

Best,

Mrs. J. Coulon
