Media Release for Seamless Summer Option Free Meals in School Year 2021-2022

Jefferson Parish Schools has announced its policy that this school year, healthy meals will be offered every school day to all students at no cost. Typically, a student's household must meet income eligibility requirements to qualify for free or reduced-price meals. However, the United States Department of Agriculture (USDA) issued guidance that allows schools to offer meals to all students at no cost for the 2021-2022 school year under the Seamless Summer Option (SSO). In addition, the following schools will also be participating in the Community Eligibility Provision (CEP) as implemented under the Healthy, Hunger-Free Kids Act of 2010: Airline, Alexander, Audubon, Benson, Birney, Bissonet, Boudreaux, Bridgedale, Bunche, Butler, Chateau, Cherbonnier, Clancy, Collins, George Cox, Dolhonde, Douglass Community, Ellender, Ellis, Estelle, Gilbert, Grand Isle, Green Park, Greenlawn, Gretna Academy, Gretna Middle, Harahan, Mildred Harris, Hart, Hazel Park, Hearst, Helen Cox, Higgins, Joseph, Janet, Jefferson, Jefferson Chambers, Johnson Gretna Park, Keller, Kerner, Laureate, Lincoln, Marrero Middle, Matas, McDonogh #26, Metairie Academy, Pittman, Riviere, Ruppel Academie Francaise, Schneckenburger, Solis, St. Pierre, St. Ville, Strehle Community, Terrytown, Thibodeaux, Truman, Washington, Woodland West, Woodmere, Woods, and Worley. Each school/site or central office has a copy of the policy, which may be reviewed upon request.

While no application or eligibility determination process is required for your student to receive free meals this school year, the income eligibility requirement will likely resume in the 2022-2023 school year. Families with students that are in schools not participating in CEP are still encouraged to complete a [free and reduced meal application](#) as a means to qualify for P-EBT in the event these benefits continue. Questions regarding meal eligibilities or free and reduced meal applications should be made to Daytona Tucker, Applications Manager, at 504-349-7687.
