Medical Statement to Request School Meal Modification
School Year 2022-2023

Meal service to students with special dietary needs is provided to all school sites. Federal and State regulations require a completed diet prescription form for any type of change or substitution to the student's diet. The special diet prescription form will need to be completed by your child's physician or medical authority and returned to your school cafeteria. Parents will need to provide any necessary meals for student until the form is processed. If you have questions regarding the form, please contact the Food Services Office at (504) 349 - 7768.
