

# Our Teachers. Our Future.

Here in Jefferson Parish and across the nation, great teachers lead to great schools, and great schools lead to great communities. Everybody wins when we have the best teachers.

Jefferson Parish residents will be asked to vote on a millage renewal November 13 to fund the current salaries and benefits for Jefferson Parish Schools teachers.

**This renewal is not a new tax.**

**There are no additional costs to taxpayers.**

An owner of a  
**\$150,000 HOME**  
pays only about  
**18 CENTS/DAY**

It's the renewal of a millage dedicated to teacher salaries and benefits, originally approved by voters in 2003.

Good schools are a smart investment for Jefferson Parish. They do more than educate. They also improve the quality of life for everyone by creating an educated workforce and stronger economy, increasing property values, and contributing to safer neighborhoods.

**THIS IS A CRITICAL VOTE FOR THE  
FUTURE OF JEFFERSON PARISH**
