Principal's Message

This is the time of year for gratitude and appreciation. I would like to take this time to thank every parent, grandparent, relative, and community volunteer that play a major role in our students' lives. You are a very valuable member of the team, and the school could not succeed without you! The school has been working very hard with identifying the needs of our students. I assure you that the work the teachers are doing here are having a positive effect on student growth! and I am very hopeful that our school's SPS score has improved

based on new structures that have been put in place this year. The new Tier I curriculum, coupled with effective teaching and learning on campus will enhance our students' success.

Happy Break,

J. Coulon

Special Thanks to the business community and family members who donated to our adjusted Fall Fest this year!

Spirit Week was a Success!

Our celebration of Hispanic Month was a success!
