NO SUPPLY LISTS, NEW SYSTEM

In the 2020-2021 school year, we are honoring the Jefferson Parish School District's universal supply list policy while saving all parents money and effort during these unknown times.

In lieu of Co-Op family dues and detailed supply lists, please send a \$45 PER STUDENT fee, made out to the Metairie Academy Co-Op, that will cover classroom and grade level school supplies for the coming school year.

When school resumes, your student's supplies and labels will be waiting in their classroom.

To be clear, aside from personal items (backpacks, snack bags, etc.) you will NOT be given a supply list or additional items to purchase at the start of the school year.
