

Ruppel Monthly Newsletter

September 2019

I hope everyone had a restful Labor Day weekend! This month we are finally settling into the routines of the school year. Elementary carpool has improved greatly with the weather cooperating. Open House was a success, and I hope that families received useful information from teachers. Please remember to check the school calendar regularly for important dates.

All middle school families should check the Student Progress Center and Google Classroom regularly. The log-in information for both of these sites was sent out before the Labor Day holiday.

Elementary sweatshirts and additional small uniform shirts have been ordered. Middle school spirit shirts have also been ordered.

Congratulations to newly elected Student Council Officers: President, Sheliah McGee; Vice President, Ani Hawkins; and Secretary, Angelina Nguyen. The first task for the school year will be to plan Ruppel's Annual Spirit Week which will be September 23-27, 2019 and will culminate with Rally Day on September 27. Details will be sent home soon.

The middle school Back to School Dance has been rescheduled for **Friday, September 20, 2019** from 6:00-9:00 p.m. Tickets will cost \$4.50 if purchased in advance by 9/17/19 on MSB or \$6.00 at the door.
